DEVoured is an exploration of the pleasure and the pain that can only come from love.

This book was written for all the souls who wander with shattered hearts.

Let yourself hurt, shiver, breathe, and love.

Let yourself be DEVoured. Sunshine's seductive and provocative use of language blends influences from poets Rupi Kaur, Neil Hilborn, Lang Leav, and Ocean Vuong with the classics Sylvia Plath, Bukowski, Poe, Dickinson and Keats. Whether you are a fan of modern or classical poetry, or you're just beginning your poetic journey - this raw, intimate collection of verse will satisfy your craving. B.B. Sunshine's writings and art have appeared in USA Today, MISC, Studio Visit Magazine, Bete Noir, The Adroit Journal, and The Anthologist. Sunshine is also the recipient of a Vermont Studio Center grant for Poetry.
