Katarina Roberts has grown up with an abusive mother and a brother who's part of the town's notorious Knight crime family. Drew does everything he can to help her, but her only goal is to get the hell out of Belmont and attend school at UCLA. The further away the better until Cole showed up in her life.

Cole Knight is sexy and dangerous.

Being groomed to take over the family business, he has no interest in a relationship until he meets Kat. Cole has decided he wants Kat, and will stop at nothing to have her and keep her, making her part of the 'family'. Kat now faces the hardest choice of her life; does she stay with Cole or does she stick to plan she has developed over the last couple of years and get as far away from Belmont as she can? Can she give up her dreams for Cole?
