A collection of short stories, a series of twist endings, and one author's dark steps back into writing... A teenage boy waits to take a sinister test he may or may not pass; a new father hears a strange voice on his daughter's baby monitor; a poisoner's best-laid plans go terribly astray; an enigmatic man gets as close to death as he can; a young boy wonders why Christmas just doesn't feel right this year; after the year from hell, a man is driven to extreme measures; a dying man reveals a black secret to his son; and, after four years in limbo, a man's life starts to unravel...
