Sarah Dunn had worked with Hugo van Elven for a long time, and she was astounded when he suddenly proposed to her.

Both of them were still recovering from previous unhappy love affairs, which was why Sarah decided to accept. Surely neither of them would wish to get emotionally involved again for a very long time, but she had not considered what would happen if her feelings for Hugo changed, while his remained the same. Could their need for love overcome their painful pasts, and allow a new companionship to grow?
