In the brilliant visionary tradition of Carlos Castaneda, anthropologist Hank Wesselman first documented his spiritual journey in the acclaimed account *Spiritwalker*. Now he continues his travels through the spirit world in this astonishing book, leading us into the heart of one of the greatest mysteries of existence. Dr. Wesselman's inspiring quest began with a dramatic encounter on the island of Hawaii. Though he had feared his connection to Nainoa, a kahuna initiate and fellow mystic traveler, would be severed when he moved to San Diego, Wesselman would continue to merge minds with Nainoa. Over the next five years, the true purpose of their profound yet cryptic contact took shape. Wesselman had gained access to some inner doorway, putting him in the presence of a transcendent life force and intelligence.

On the threshold of a dazzling new understanding of nature, he was a shaman in training, an initiate into the sacred, secret healing powers of the spirit world. This remarkable book gives us an unprecedented glimpse into the origin and the destiny of our species. Hank Wesselman has brought back from his extraordinary travels an extraordinary message: the keys to personal power and to the healing of all humankind.
