****BONUS!! EXTRA 50+ SIZZLING HOT ROMANCE STORIES INCLUDED!!**** Sylvester, the old Soviet tycoon, has created a little camp upstate where childhoods roam large and wild, and children have all the chances of becoming lifelong friends. Such is the case for shy Nate, precocious Alex, and ball-busting Christina when they first meet in their formative years. Five summers of drama, emotional and physical development, and wonderfully screwed up family lives leaves all of them changed forever. A chance meeting ten years later reignites old crushes--but will anyone be willing to do anything about it? **WARNING:**This ebook contains mature themes and language. 18+ readers only!
