Laughter might be the best medicine, but it's not covered by Medicare. So this little book provides a low-cost, over-the-counter dosage to cheer up (and/or terrify) those who find themselves on the wrong end of health maintenance. (Whichever the "wrong end" might be.) Some of the funniest humor writers on the scene today share their stories, jokes, therapeutic venting, and scans of the process of Getting Better - including some medical personnel who didn't realize they were being funny. Contributors include columnists, comedians, authors, TV writers, and people with unauthorized access to hospital files.

This inexpensive, pocket-sized book is a time-released "get well card" for the ailing and afflicted, an inside chuckle for medical professionals, and a collection of healing fun for those who aren't under care at the moment.
