This edition of the City of Rocks offers the most up-to-date information, maps and drawings detailing over 600 high quality climbs. Also included are sections on bicycling, hiking and running trails, area history and geology and other Idaho climbing spots to discover. Idaho's City of Rocks National Reserve has been called America's premiere granite sport climbing area. It has become a world class destination for climbers around the globe. The City of Rocks is renowned for its fascinating and often bizarre geography, plentiful moderate climbs as well as famous test pieces of extreme difficulty. With an enchanting combination of rustic western atmosphere, casual camping and well protected climbs, the City of Rocks is uniquely enjoyable climbing experience.
