All animals and animal lovers are welcome at the Animal Ark Veterinary Clinic. At Animal Ark, Mandy Hope helps her parents treat animals of all shapes and sizes. Even outside the clinic, Mandy can't resist helping any animal in need. The Hope family takes in Polly, a friend's daughter, when her father goes into the hospital. Polly's new Shetland pony comes, too. The pony is beautiful and gentle, but Polly refuses to have anything to do with it. She's afraid of horses, even though she's been around them their entire life. Can Mandy and James help Polly learn how to love her pony?
