Rhian Cahill's *Shut Up and Kiss Me* Jacqueline Mowbray has spent months fantasizing about her friend Kyle, and never once did she consider he might have the same unrelenting attraction ... But Jac is about to find out that what Kyle wants Kyle gets. Beverly Oakley's *Saving Grace* It's 1878 and London's most beautiful and hard-hearted prostitute, Grace Fortune, discovers she'll be the birthday gift for the man who caused her to lose her once-secure position as a housemaid. His betrayal has plunged her into this hated life, and she wants revenge ... Will she get something else instead? Kasey Channing's *Shelter From the Storm* Amy Stevens knows damn well men are more trouble than they're worth. And the two ex-pat yanks she gets roped into taking riding in the high country are exactly that—sexy, arrogant, irresistible trouble.
