It's the Golden Age of Piracy — a time when greed, ambition, and corruption overcome all loyalties — and a brash young captain, Edward Kenway, is making his name known for being one of the greatest pirates of his time. In the brilliant new novel, Assassin's Creed: Black Flag, discover the story of how Edward, a young privateer, became one of the world's most deadly pirates and was drawn into the centuries-old battle between the Templars and the Assassins.
