Charlie's life in Northern Ohio is ordinary and consistent. When her dad loses his job, fighting becomes an every day event. Moving in with her sister only makes matters worse. Her life is turned upside down. In a desperate attempt to find a safe haven, she ends up on the streets of Chicago. Here she's introduced to a different kind of world. A place where crime lords and women of the night come out to play.

Charlie finds herself at the mercy of Rico DeLusa, a local crime lord. When she begins having feelings for one of Rico's employees, Angel Blackwell, she wonders if she's out of her element. Is she being drawn into their world, instead of being a light in a dark place? Blackmail, prostitution and drugs were never a part of her life, but they are now. Charlie finds herself in the middle of a fight between good and evil. She needs the strength to overcome, the wisdom to make the right choices, and the insight to follow what is right Instead of listening to her heart. Angel Blackwell Angel Blackwell is an undercover cop, trying to find some incrementing evidence on Rico Delusa.

Charlie Anderson stumbles into the middle of his investigation, distracting him. Can he manage to get the goods on Rico, while keeping his mind on the business at hand, instead of the pretty red head that keeps

getting in his way. Will he be able to keep Charlie safe and keep his cover intact at the same time. His temper and jealous nature could end up causing him to lose his focus.
