TOO HOT TO QUIT (Sexy Spy In America Romance Series, Volume 1) Hot Romance Novella What happens when those who are elected to defend America turn around to hurt her? As he gears up for his re-election in the US Senate Elections, US Senator J.

L. is introduced to a new, powerful donor by his long-time friend and chief fundraiser Danny Birch. The new donor, Sheryl Lekhov, turns out to be a daughter of an oil tycoon who silently resides in the wealthy-people area of Southern California. Sheryl Lekhov, a very beautiful and gorgeous lady actively participates in getting more cash to finance Senator J.L.'s re-election. And her closeness to the unmarried Senator sparks a romantic fire that consumes both of them during the campaign period and thereafter. But Senator J.L., a prominent member of US Senate Committee on Foreign Relations, does not realize that his new-found love is an enemy of America—a fear spy working for the interests of the Russian Government!
