Jesus or Yeshua: Exploring the Jewish Roots of Christianity It has taken 2000 years for the Jewish roots of Christianity to be yanked out of its Hebraic origins. The Jewish or Gentile follower of Jesus who reads Jesus or Yeshua: Exploring the Jewish Roots of Christianity will discover that much of the everyday Christian terminology is strongly connected to the original Jewish background of the establishment of Christianity. For the inquisitive seeker Lapidès fills in many blanks to help gain a deeper understanding of the messianic faith.

Lapidès takes into account typical Christian lingo can confuse both Jewish and Gentile newcomers to Christianity. His goal in compiling this brief 32 page guide is to help Gentile believers recognize certain "Christian" terms that have been historical stumbling blocks to Jewish seekers. In addition, Lapidès aims to help Jewish people gain an appreciation for the deeper meaning of various Christian expressions. Examples of Christian lingo Louis explores in his quest for the Jewish roots of the Christian faith are: *baptism *Christ *Church *communion *evangelism *Jesus , , , , and so much more. About Louis Lapidès As a Jewish follower of Jesus Louis Lapidès is best equipped to write on messianic issues. Louis earned several graduate degrees in Old Testament Studies and taught in the Bible Department at BIOLA University.

He served as founding pastor of Beth Ariel Fellowship in Los Angeles and is now the president of his publishing company Scripture Solutions You can read more about Louis Lapidés in the national best seller The Case for Christ and check out his apologetics blog at scripturesolutions.com
