She's in over her head, and he's head over heels. I wasn't looking for trouble. Just a little distraction. A naughty fling to get my mind off running a multi-billion dollar company.

Leah was the sexiest distraction I had ever seen, and I soon found out that one taste wasn't enough. I was entranced. Infatuated. Addicted. But Leah had a dirty little secret. Our meeting was not a chance encounter. She was there for a reason. And what did I do? I fell in love with her anyway. Pretty Dirty Thing is steamy romance novella. It is a standalone with a HEA and no cheating.
