Cheree Alsop is a gifted writer, all of her books are my complete favorites!! This series has to be my absolute favorite, Alex is truly a wonderful character who I so wish was real so I can meet him and thank him. Once you pick this book up you won't put it down till it's finished. A must read!!!! - BookWolf Brianna Cheree does it again with the first in her new series Werewolf Academy. Once you start reading you can't put it down. Love the Heroes and Despise the Villains. Her details and your imagination puts you right in the action of the story.

Silver Moon as the top most emotional of Cheree's books, I loved Instinct for its raw truth about the pain, the heartbreak, and the guilt that Alex fights.- Loren Weaver Great story. Loaded with adventure at every turn. Can't wait till the next book. Very enjoyable, light reading. I would recommend to all young and old readers.
