Three simple guidelines to consider when making your wish. Don't be hasty. Be precise in what you wish for. Be careful what you wish for. Lucy Pendragon is a Wish Maker, a remnant from an age long lost.

Offer her a coin and she'll gladly grant you your wishes. If you're lucky then she'll b you with your heart's desires... if you're not, then you'll have to live with your choices. Either way, one thing is for sure... meeting the Wish Maker will change your life. Mother and daughter, Tammy and Jade Scott, stumble across the Wish Makers' tent at a music festival... but what do they wish for?
