Back to his normal life, Larry Barnes thinks he'll never again see the Portal—a strange device that took him to a parallel universe—until a beautiful woman appears and begs for his help. The mysterious preacher Larry previously encountered in the parallel universe is in trouble on another world, and only Larry can save him. Against his better judgment, Larry enters the Portal, and finds himself in a desperate battle against a priesthood trying to kill the preacher—and now him. While struggling to defeat the priests and then return home, Larry senses he may have powers he never dreamed of, and that his fate is inextricably linked to the preacher... and the Portal.
